## AddBook Page

The screenshot shows a web browser window with the address bar displaying `localhost:9999/College_Library/stu/addBook.jsp`. The browser has two tabs: "Book Form" and "Library Page". The navigation bar includes "Home", "Books", "Students", and "Settings". The left sidebar contains "Overview", "New Books" (highlighted), "Issue Book", "Add Student", "Search Student", and "Log Out". The main content area is titled "Book Form" and contains a form with the following fields: "Author Name" (filled with "David wilson"), "Title" (empty), "Category" (empty), and "Quantity of Book" (empty). An "Add Book" button is at the bottom of the form.
